Our Mission: “To be a living example of the love of Jesus Christ”

1. Hope will offer a balanced variety of small groups that can be categorized as: affinity groups, study groups, accountability groups and service and outreach groups.
2. All of Hope’s leadership teams will be functioning as small groups and all of Hope’s leaders will be participating in a small group in addition to the one they lead.
3. The Small Group Vision Team will be responsible for providing ongoing training and equipping of small group leaders, coaches and apprentices.
4. 75% of Hope’s worshipping congregation will be participating in a small group.
5. The goal of all small groups will be that all group members will demonstrate increasing evidence of a deeper love for Jesus and for all other people (spiritual growth).
