\$1,000,000 challenge

- **Outreach and Mission Ministry \$350,000**
 - An ongoing fund for mission and outreach will be established, providing a unique opportunity for Hope Lutheran Church to make a lasting impact for God in our community. There are currently three distinct areas of focus:
 - People of Salem Lutheran Church and their community
 - University of Toledo Campus Ministry
 - Helping Others to Peace and Equity (H.O.P.E. Fund)

\$1,000,000 challenge

- **Facility Enhancements \$350,000**

- As our facility continues to age, it requires ongoing maintenance. Providing funds for these projects allows us to improve or provide effective missions and ministry, and lessens the need to incur future debt. Our current needs include:

- Enhancing the children's educational experience
- Providing additional office work areas
- Waterproofing and repairing leaks in the bridal room and basement classrooms
- Replacing the slate roof
- Painting interior and exterior surfaces

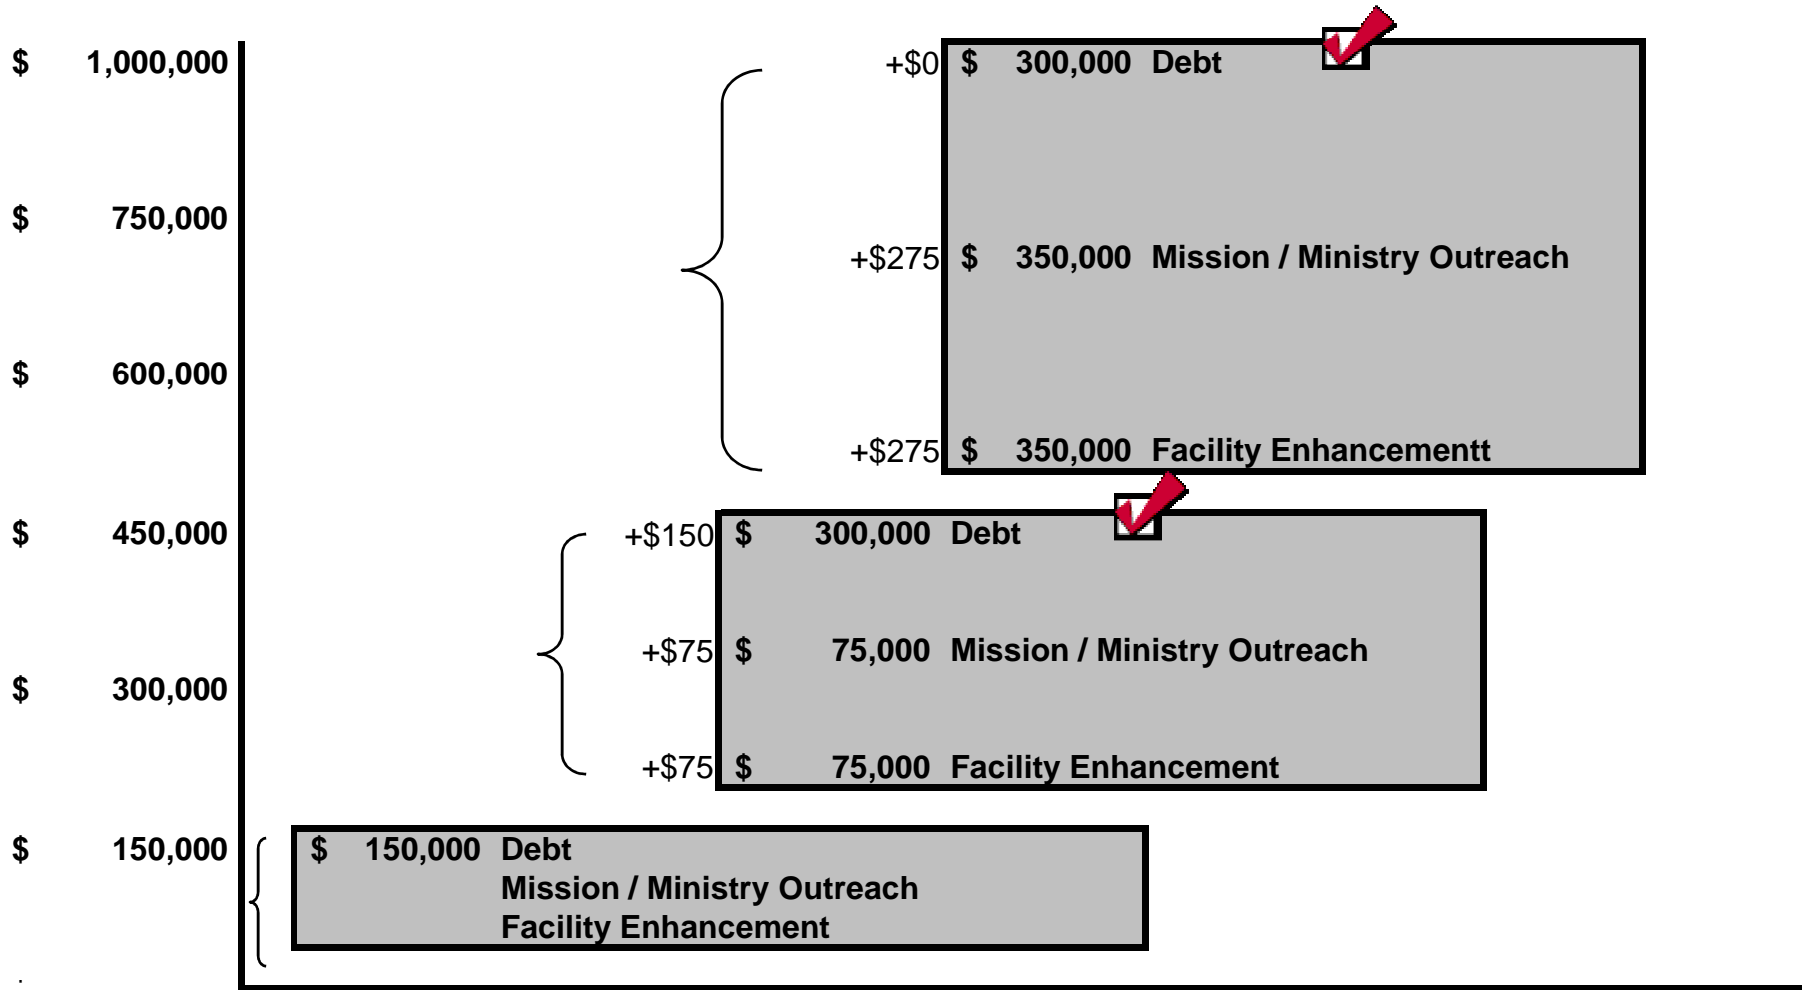

\$1,000,000 challenge

- **Freedom from Debt \$300,000**

- We currently are paying on a bank loan of \$300,000 which was required to fund the new flat roofs that were replaced last year, renovations in the lounge and our audio/video system.
