Our Mission: To be a living example of the love of Jesus Christ.

Join us for worship in the Sanctuary or online next week

We are excited to share that Hope will return to building for worship at 9am and 11am on Sunday, October 4th. We will be taking precautions to keep people safe including social distancing between family groups and will show our love for our neighbors by wearing masks. We will be blocking off pews and alternating which pews are used between services. The offering will be collected in baskets at the door and communion will be distributed as people leave. We will not be passing the peace. The nursery will not be available and we will not be serving coffee and cookies. For those who are not comfortable gathering in the building, we plan to continue streaming worship live on both Facebook and YouTube. We are also planning to place a speaker outside on the Indian Road side with the FM transmitter so that you can come and remain in your car or sit on the lawn. We will bring communion out at the end of the worship service so you can receive communion while maintaining safe distancing. We ask for your prayers that Lucas county not return to a "red" level so that we can continue to meet in person and in the building for those who desire to.

Sermon Series: The Walk

What does it mean to be deeply committed Christians, growing in faith every day? How do we become fully engaged and flourishing in the Christian life in this crazy time? This Fall, we will explore a model for Christian discipleship, built around five essential practices – practices that we engage in both collectively and individually in order to more fully follow Jesus. Join us as together we worship, grow, serve, give and share – closing the spiritual gap in our lives.
