Our Mission: To be a living example of the love of Jesus Christ.

Join us for worship in the Sanctuary or online

We are excited to share that Hope has returned to the building for worship at 9am and 11am.

We will be taking precautions to keep people safe including social distancing between family groups and will show our love for our neighbors by wearing masks.

We will be blocking off pews & alternating which pews are used between services.

The offering will be collected in baskets at the door and communion will be distributed as people leave. We will not be passing the peace.

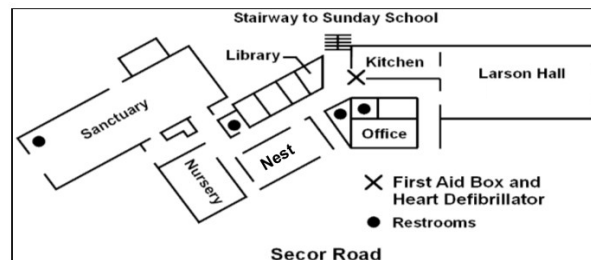

The nursery will not be available and we will not be serving coffee and cookies.

For those who are not comfortable gathering inside, we plan to continue streaming worship live on both Facebook and YouTube.

We are also planning to place a speaker outside on the Indian Road side with the FM transmitter so that you can come and remain in your car or sit on the lawn. We will bring communion out at the end of the worship service so you can receive communion while maintaining safe distancing.

If you are a guest this morning, please notice the staff and lay leaders wearing identification badges. They will be able to assist you.

Large-print bulletins are also available from a member of the Welcome Team

About in Grace

Next week we begin our stewardship program called "Abound in Grace." This three-week program focuses on the importance of giving in our lives. Winston Churchill aptly stated: "We make a living by what we get; we make a life by what we give." Another appropriate phrase says, "The mind grows by what it takes in, the heart grows by what it gives out." When we give, we are blessed as much as the recipients of our gifts. Jesus said, "Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with measure you use, it will be measured to you" (Luke 6:38). Please be with us next week when our sermon theme for the first Sunday will be "Overcoming Greed."

Harvest Party Come get into the fall spirit at Hope's Harvest Festival on Sunday, October 25th, from 2-3pm. This event will be taking place outside at Swan Creek Metropark (Mary Jane Gill Pavilion). Listen to music while you carve a pumpkin and then take it home! Pumpkin and carving materials provided. Please email Katie at kgarverick@hopetoledo.net with questions.
